# About Us

Established in 1964, we pride ourselves on delivering high quality insurance and risk management solutions tailored specifically for the childcare and education sectors.

We aim to provide your business, no matter how large or small, with insurance products, services, discounts and benefits that bring you added value and security.

Our team understands the challenges you face and can assist in providing you with the assurance you need. We endeavour to continue developing our services and benefits to support this fantastic sector.
