Summary

This insurance is underwritten by QBE UK Limited. The Legal Expenses section is administered by ARAG plc on behalf of the insurer HDI Global Specialty SE.

This insurance is an annual contract unless stated otherwise in your policy schedule. It may be renewed at the end of each policy year on the basis of the terms and conditions applicable upon renewal. You may need to review and update your cover periodically to ensure it remains adequate. Full details of the start date and end date of the policy are available in your policy schedule.

An outline of the policy's significant features and its benefits is set out within this document together with any significant exclusions or limitations. This document is only a summary and does not contain the full terms and conditions of your cover, which can be found in the policy documentation. This summary is not intended to alter or amend the terms of the policy. Full details of all policy benefits and terms are available in your policy and schedule. It is important that you read the insurance policy in full to understand your cover.

You may request a copy of your policy wording, which is available free of charge, from Morton Michel, by contacting them on **0330 058 9861** or emailing them at **customerservices@mortonmichel.com**

The policy is divided into a number of sections but not all the sections may be part of your insurance. Please refer to your quotation or renewal documentation for confirmation of the sections of cover selected.

For each section of cover, this document summarises some of the significant features, exclusions and limitations relevant to a particular section. In addition, some general exclusions, limitations, conditions and other requirements which apply to your cover are summarised in this document. You must refer to the policy for full terms and conditions.

The Property Damage, Employers' Liability, Public and Products Liability, Treatment Liability for Registered Providers, Treatment Liability for Unregistered Providers, Legal Expenses, Portable Equipment, Equipment Breakdown, Business Interruption, Loss of Registration Certificate, Personal Accident, Money, Employee Dishonesty, Terrorism, Trustees' and Officials' Financial Liability, Loss of Licence sections operate on a "losses occurring" basis. This means that those sections will respond, subject to the terms of the policy, to losses that occur during the period of insurance.

The Professional Indemnity, Directors', Trustees' and Officers' Liability and Cyber sections operate on a "claims made" basis. This means that the policy will respond, subject to its terms and conditions, to (i) any claim made against you during the period of insurance, and (ii) any claim made after the policy period but arising from circumstances (as defined in the section) notified to us during the policy period.

The sections of this insurance are subject to 'Maximum Amounts Payable', sums insured values, limits of indemnity, limits of liability, maximum accumulation limit and compensation limits (as applicable). Your obligations

Your insurance and the premium that you pay are based on the information that you have provided to us. Please make sure that this information accurately reflects your circumstances and inform us immediately if anything needs to change.

If you do not fairly present your circumstances to us, this may cause your policy to be invalidated, claims not to be paid, or the amount we pay for claims to be reduced.

You must:

- notify us of claims and circumstances that may give rise to a claim as soon as practical but always within the time limitations stated in the policy as being applicable to the section under which the notification is being made;
- notify us of any and all material changes to you, the declared business activity or the risks insured if you require them to be covered by this insurance; and
- comply with the general conditions and any specific conditions designed to reduce the risk of loss.

There are certain terms which are conditions precedent to our liability under the policy. It is particularly important that you comply with these terms. If you do not do so, you will not be entitled to cover under the policy for a claim either at all, or unless you can show that your breach of the term could not have increased the risk of the type of loss that has occurred.

Conditions precedent are contained in the policy wording, and additional conditions precedent may also appear in the policy schedule or endorsements. It is important that you check all these documents.

General Terms and Information

Below is a summary of some of the General Terms applicable to the whole policy. Please refer to the policy for full details of its terms and conditions.

Average

The policy contains an 'Average' condition. When you make a claim, if at the time of loss the total sum insured is less than 85% of the total value of the property insured the amount you are able to claim under this policy will be reduced and we will bear only that proportion of the loss which the total sum insured bears to the total of the property insured. This is explained in the Policy Guide section of the policy under the heading 'Setting your sums insured'.

Excess

When you make a claim, a policy excess may apply as set out in the policy schedule. The amount will vary according to the type of loss.

An excess is the first amount of any loss which is payable by you, which does not form part of the sum insured. For example, if your sum insured is £5,000 with an excess of £500, then if you suffer a loss of £2,000 we will pay you £1,500. However, if the loss totals £6,000 then we will pay £5,000 (up to the sum insured).

The policy and schedule will also set out whether the amount of excess will be applied per claim or per occurrence.

Cancellation

You may cancel this policy by giving written notice of cancellation to us, quoting your policy number:

- within 14 days from the inception day of the policy. You have the right to cancel the policy free of charge and to receive full refund of premium under this policy,
- after 14 days from the inception day of the policy. We may refund any unearned premium calculated pro-rata to the annual premium;

provided that there have been;

- no claims made under the policy for which we have made a payment;
- no claims made under the policy which are still under consideration;
- no incident likely to give rise to a claim but is yet to be reported to us;

during the current period of insurance.

If you cancel the policy after 14 days from the inception day of the policy, there will be an additional charge of £40 to cover the administrative cost of providing the insurance.

This termination will be without prejudice to your or our rights or claims incurred prior to the expiration of such notice. If a claim has been submitted or there has been any incident likely to give rise to a claim during the current period of insurance no refund for the unexpired portion of the premium will be given.

Premium payment

The insured is liable to pay the premium as set out in the policy. For full details of payment of premium and the duration of payments of premium you should read the policy and the schedule.

Other restrictions

Certain endorsements that might apply to your policy may restrict cover. For full details you should read the policy documentation.
